Supported
Employment

Hire A Veteran

• **Loyalty**

• **Trustworthiness**

• **Dedication**

Supported Employment is an approach to helping veterans participate as much as possible in the competitive labor market. Supported Employment enables veterans to work and contribute to their community and society by focusing on their abilities and desires and then providing the support they need in order to be successful on a long-term basis.

We Offer:

- ★ Services that are free of charge and individually tailored to meet your needs
- ★ Professional Employment Specialists who will listen to your needs and make every effort to refer veterans with appropriate skills and interests.
- ★ Assistance with job analysis and development of position description
- ★ Assistance with obtaining tax credit information and other employer incentives
- ★ Information regarding working with people with disabilities, addressing reasonable accommodations
- ★ On-going support and assistance to maximize successful job placements
- ★ Regular (unobtrusive) employee support throughout the work experience
- ★ Assistance for employees with individualized needs

If Given A Choice...

Given a choice between work and idleness, people will almost always choose work. Regardless of our station in life, the conditions of our bodies and minds, or the amount of money in our bank accounts, the need to work remains one of our strongest drives. Work is central to our lives, and as such, gives a large measure of structure to our days. Common sense tells us that we feel better about ourselves when we are working regularly.
